Dad's Army...your society needs you!

We are thrilled to announce that our November 2026 production is Dad's Army. This classic television series has been cleverly written as a stage play featuring three iconic episodes: Mum's Army, Godiva Affair and Deadly Attachment. It will be produced and directed by Jordan Machin and Lisa Savill who are very much looking forward to including many society members in this play. There are both male and female speaking and non-speaking roles as well as an opportunity for singers to take part.

Save the date: 5th -7th November 2026 (including a Saturday matinee.)
