DAD'S ARMY DELIGHTS AUDIENCES

The Festival Drayton Centre was buzzing with laughter, applause and community spirit as our production of *Dad's Army* proved to be a huge success; making almost £5500 profit!

Bringing such a beloved British classic to the stage is no small challenge, but thanks to the hard work, commitment and enthusiasm of so many people, the production was truly memorable.

Special recognition must go to Lisa and Jordan, who did an absolutely amazing job in directing and producing the show. Their dedication, organisation and countless hours of work were instrumental in delivering a production that entertained audiences throughout its run.

Of course, a successful show is always a team effort. Our sincere thanks go to every member of the cast, committee, backstage crew, set builders, costume team, props team and front-of-house volunteers. The list of people who contributed is endless, and each played an important part in making the production such a memorable success.

A huge congratulations must also go to Jon, who worked incredibly hard learning his lines and leading a star-studded cast with confidence and determination. His commitment throughout the rehearsal process was outstanding and helped set the tone for a fantastic production.

The response from audiences was overwhelmingly positive, and we are delighted with how the show was received. Most importantly, we performed a production that we are all immensely proud of and one that truly showcased the talent and dedication within our society.

You can read the review from John Hargreaves here, and we are also looking forward to sharing the forthcoming NODA report very soon.
